For those Four Winders that went with us to GRANITE PEAK over the last 12 years, you know it does not get any better than this. You went up north and had a fun filled weekend and still had some change in your pocket at the end of the trip. If you've been itching to get out on the slopes and want to spend a beautiful New Years Eve Weekend for two we got you covered. The hotel is just a stone throw away from the ski hill and has a huge indoor swimming pool and a 15 person hot tub to soak your tired body in when you're done frolicking in the snow. A spacious room for 2 nights, 2 day/night lift tickets for 2 Adults and all friendship that you have come to enjoy on a Four Winds Ski Trip, then boy do we have a trip for you. It's close too, Granite Peak is only a 3-½ to 4 hour drive from Chicago and it's all on Interstate Highways. We're making it real simple this year. You go on Granite Peak's website at www.skigranitepeak.com go to Lodging Packages, Select the start date Dec. 30, Select the Best Western Hotel, Type room (1 King or 2 Dbls), How many skiers, # of 2 Day Lift Tickets (if your bringing kids 12+under select the Combo Packages) and BOOK IT!
