For years this trip used to be the biggest trip of the year for the Four Winds Ski Club. To revive it the consensus was unanimous NO MORE SHINNING MOTEL. So last year we decided to do a major upgrade to a large house right on the hill so you can ski as much as your little heart desires. This year's house is HUGE with 7 bedrooms 3 bath (SLEEPS 17) fully furnished skiers home. You can check it out at the attached link below but please note they are putting on an addition as we speak to accommodate us all. It has a full kitchen and large Northwood's décor great for our group gatherings & meals. With everyone pitching in with meals we will LIVE LIKE KINGS & SK LIKE GODS AGAIN. The OUTDOOR HOT TUB on the DECK will be waiting for the worn out bodies after a long day of skiing. It is officially not ski-in/ski-out, we will have to walk thru the yard of the place we stayed last year to get to the bigger nicer house. We are thinking of skiing at Big Powderhorn Saturday & Sunday and skiing Whitecap or the Porkies on Monday Presidents Day before the trek back home. ALL THIS AND IT'S ONLY *\$349.00PP
